25X1

NRO - CIA ROLE [redacted] 22 March 1963
MFR by Col Giller
Meeting between McCone and McMillan, 21 March
Mr. McCone discussed NRO program w/McMillan. He jumped right in by indicating his displeasure with present Satellite Recon Program. Detail of various configurations discussed. McMillan to furnish new launch schedule by 26th for USIB. Mr. McCone attributed many of the fundamental problems in NRO to the previous charter and felt the present charter would be a more workable document.

DCI ~~kwixes~~ indicated to McMillan that he intended to nominate Scoville to be DD of NRO
